Subject: DUE 11/28: SFD Lead Policy Issue Paper Review

Hi Joan,

We have been asked to do a quick review of the RA transition issue papers we provided in September to make sure they are still current. Please take a moment to review the attached SFD Lead Policy issue paper and send me any changes by COB Tuesday, November 28.

Thank you,

Subject: Request: RA Transition Binder Review

Good afternoon,

Our work on the RA transition binder continues to move forward. We shared the draft with both Bob and Cheryl and have received some comments. Attached you will find the by-the-numbers .pdf and below is a link to your division's hot issues. We are asking for one last round of review/edits before we finalize the book.

- 1) By-the-Numbers: add/delete/make changes to your division content as you see fit, but each by-the-numbers should be no more than two pages.
- 2) Hot Issues: update if needed and let us know if any items should be removed or added.

Ex. 6 - Personal Privacy

There needs to be a PFAS/Wolverine Hot Issue paper developed. For those divisions involved, please coordinate on who will take lead on that.

3) In general please review all elements one last time and confirm that our editing process did not distort anything.

Please send your final versions to myself, Jeff, Morgan and Mayra by COB Tuesday, 11/28.

Any questions, please let either Jeff or me know.

Thanks,

Rhiannon Dee
